

Win a chance to boost your business

Learn, network, and explore New Orleans!

As a working mom, you know how hard it can be to juggle work and home. Did you know:

- **55% of Business Among Moms members work entirely from home**, while most of the rest do some combination of home, office, or mobile.
- 36% have an **e-commerce/online** business.
- About **one in five members** owns a business with employees.*

Need some help with time management?

Enter for a chance to win two conference registration passes to New Orleans for Sage Summit 2015, a \$1,598 USD value! You'll hear from global thought leaders, network with peers, and learn tips and tricks for streamlining day-to-day processes so you can get back to doing what you love: running your business and spending time with your family.

Past attendees describe it as part conference, part festival, and all about transforming your business. What will your story be? Write your next chapter in the Big Easy.

What are your business challenges?

When we surveyed Business Among Moms members, they told us they started their own business primarily to be their own boss, do what they love, and focus more on raising their children. While they found access to capital, social media, and sales challenging in their business lives, their most common personal challenges are time management and work/life balance.*

You're not alone! At [Sage Summit](#), you can hear from speakers like Heather and Lori from the hit TV show *The Cupcake Girls* on how they overcame challenges like those you run into every day. Plus, you'll have a chance to network, discover new technology, and kick up your heels in the Big Easy.

Past attendees describe it as part conference, part festival, and all about transforming your business. **Join us July 27-30 in New Orleans at a special Business Among Moms rate of \$299 (regularly \$799)!** Just use promo code **BAMSAGESUMMIT** by June 15.

How confident are you in handling the finances for your mom-owned business?

We surveyed Business Among Moms members about how they handle their companies' finances. Here's what we learned:

- 73% of you said your financial management knowledge is self-taught; 29% seek the advice of accountants and consultants.
- You feel you are most lacking in knowledge of financial planning, managing costs, cash flow, and taxes.
- You handle accounting in a variety of ways, with by hand/spreadsheet being the most common.

Take back control of your finances so you can focus on doing what you love: running your business and spending time with your family.

At [Sage Summit](#), you can hear from speakers including Heather and Lori from the hit TV show, *The Cupcake Girls*, and hear from other top business leaders. Plus, you'll have a chance to network, have some New Orleans-style fun, and get tips and tricks on managing your business finances with confidence.

Past attendees describe it as part conference, part festival, and all about transforming your business. **Join us July 27-30 in New Orleans at a special Business Among Moms rate of \$299 (regularly \$799)!** Just use promo code BAMSAGESUMMIT by June 15.
