

“Wait ’til next year!”

You can say that when your team doesn’t win it all. You can say that when you have to postpone your long-awaited vacation.

But when it comes to payroll tax updates and limited-time savings offers, waiting until next year could end up costing you in more ways than one.

Don't wait—get ready for year-end payroll reporting and save!

Tax season is approaching quickly. And if you don't have access to the most current payroll and tax updates, you risk noncompliance with provincial or federal and state payroll tax changes. **That is why NOW is the time to make sure you renew your ClientCare and Payroll Update plans.**

Renew now to save!

Renew your Sage BusinessVision ClientCare and Payroll Update Plans and have peace of mind knowing your payroll system is in compliance with the latest updates. Act NOW and save \$100 on your renewal!¹

Call 1-800-642-7693 option 1, option 2 today to renew. Mention priority code 6013 to save \$100!¹

Stay in compliance with the Payroll Update Plan

Every year, governments change the tax laws, and we provide updates to these changes for our Payroll Update Plan customers. Designed specifically for Sage BusinessVision customers using payroll, the Payroll Update Plan provides payroll tax updates and magnetic media software so you can handle payroll in-house and make sure your payroll system is in compliance.

With the Payroll Update Plan, you can manage the critical tasks of closing out your year-end processes and conducting payroll tax withholding and reporting quickly, accurately, and easily—for a fraction of the price of an outside payroll service.
